### April 2016 Newsletter

These stylish **Bariatric chairs** are suitable for users up to 250kg in weight.

They are **made in the UK using kiln-dried European beech from sustainable sources**. The frames are stained and polished to **severe contract standard BS 6250** and with an **anti-bacterial, anti-microbial, anti-fungal lacquer**. The upholstery conforms to **Crib 5 flame retardancy** standards.

These chairs can be manufactured with the **seat height from 410mm to 510mm**, depending on the user's needs. Chairs will be manufactured with the standard seat height unless a different height is specified at the time of ordering.

#### Standard Bariatric Chair

Shown here as the arm chair version.  
An armless side chair version is also available.

Made with comb and joint construction to ensure a strong, stable chair.  
Upholstered to minimise seams and stapling in wide range of severe contract anti-microbial vinyls.

Overall dimensions – 1140h x 775w x 770d  
Seat – 460h (std) x 665w x 580d  
Seat height 410 – 510h  
Arm – 620h (on 460h seat)

#### NEW Fully upholstered Bariatric Chair with concealed staples as standard.

Overall dimensions – 1050h x 780w x 770d  
Seat – 470h (std) x 610w x 580d  
Seat height 410 – 510h  
Arm – 670h (on 470h seat)

**The prices of our mattresses and upholstered divan bases have not changed since our 2013 price guide, and will remain stable until at least August of this year.**

**Remember that there is a valuable saving for quantities of 6-11, with even better price breaks for 12 or more.**

**Please contact us for a quotation now.**
